

COUNTRY KIBBLE DOG

Feeding Instructions

Served Dry: This is an excellent dog food to feed straight from the package. Make sure plenty of fresh drinking water is available.

Served Moistened: To add variety to your dog's menu, you may add one part liquid (milk, broth, or gravy) for every six parts of this dog food.

For Adult Dogs Only: Requirements vary according to the breed, size and activity of the dog. It is recommended that you start with the standard chart shown below and vary the amount according to your dog's appetite and needs.

<u>Size of Dog</u>	<u>Weight</u>	<u>Daily Amounts</u>
Toy Breeds	5-15 lbs.	1 - 2 cups*
Small	15-25 lbs.	2 - 4 cups*
Medium	25-45 lbs.	4 - 6 cups*
Large	45-85 lbs.	6 - 10 cups*

* Standard 8oz. Dry Measuring Cup.
